E D I T O R I A L

Now more than ever, these ladies are providing a source of invaluable comfort and entertainment, as we batten down the hatches once again. For, where else would you be able to find such a magnificent calibre of scorchingly hot babes that ooze wanton lust and can make your balls tighten with just a quick look. Especially the stunning Miss Carr with her festive frolics, and Lucy Alexandra's busty poses. I feel Club has done it's best to fill your stocking this Christmas with as many top sploshers as possible. So here's to what's left of the rest of the year, as I contemplate the possibility of a giant booze delivery to see me through...

Dear The Lounge,
I adore anal sex. It feels great and incredibly satisfying and I always insist on taking it up the arse whenever I get a man into bed. The thing I love most of all however, is picking up some young college boy who's a bit green behind the ears and making him give it to me this way. Just seeing the expressions on their faces when I tell them what I want almost makes it worth doing alone.

Brian was the last student I picked up. He and a couple of his mates wolf-whistled me as I walked past a pub they were sitting outside, so I turned on a heel and marched back to confront them.

They were all cocky at first as they

waited for me to launch into a tirade against them. I could tell they were just baiting me and that this was the reaction they were hoping for so I chose to play them at their own game.

"You three want to fuck then?" I asked, and they looked at each other in confusion. "Come on then, you get a woman interested, you're not going to back down like a bunch of babies are you?"

"I rubbed it all over my pussy, then slipped it up inside me as we fell onto the bed."

Two of them didn't know what to say but Brian tried to call my bluff.

"What do you have in mind?" he asked.

"We all go back to your place and the three of you fuck me three ways at the same time."

Two of the guys immediately excused themselves and headed off with their tails between their legs, but Brian stayed where he was and sized me up.

"You're full of it. You'd run a mile before you'd let my prick anywhere near you," he said confidently.

"Only one way to find out," I whispered and grabbed the front of his jeans.

He took me up to his hall, checked his roommate was out and locked the door behind us. I immediately pushed him up against the wall and wrapped a leg around his waist. The pair of us kissed as I ground my pussy into his hard-on and Brian pulled my skirt up around my waist and slipped his hand inside my panties.

"You really are a filthy slut," he said as he pumped his fingers in and out of my juicy warm

slot. My honey coated his hand and made my thighs all sticky and wet and I licked all around his ear and as rubbed my buzzing clit.

"Fuck me," I told him, frantically unbuckling his belt and ripping open his jeans. Brian's hot meat pressed against my soft belly and I rubbed it all over my pussy, then slipped it up inside me as we fell onto the bed.

Brian pumped his prick in and out of me as I pinned his shoulders to the mattress and rode on top of him. He was just getting into his stride when I slipped off of his dick and took a hold of it from behind.

"Not like that," I said, then pressed it up against my arsehole. "Like this. Fuck me in the arse."

Brian's face was a picture and I giggled with mischief as I pushed down on his pole until I had the entire length buried between my firm buttocks.

"That feels fucking great," I moaned as I rolled my hips, working his cock ever so slowly in and out of my snug little bum. "Come on, fuck me harder."

Brian gripped me by the waist and pulled me down onto his cock again and again,

driving his meat deep inside my bowels. I ground my cunt against him and thrashed my clit with my fingertips until his belly was slick with love juice.

I reached behind and stroked his balls and Brian began to tense. He thrust into me one last time as I cradled his sticky swollen scrotum in my fingers and held me hard against him as his prick exploded inside me. Great wads of spunk blasted into my bum, filling me up with hot sticky man fat until I felt lovely and warm down below. I pumped him a couple more times, savouring the feeling of his cock mashing all his spunk inside me, and making it leak out all over Brian's shaft and dribble onto my fingers. I sucked each clean in turn, enjoying the look on Brian's face almost as much as the taste of his creamy seed, then strummed my throbbing pussy to orgasm just inches from his face.

Brian said he'd never known a girl as dirty as me. I told him this was nothing; if he'd wanted to see me at my best he should've got his friends to come back too.

Karen, Cambridge.

Kiki Daniels has always struck us as one of the cutest, perkiest girls out there. A girl so cute and perky she couldn't possibly harbour secret desires about anal sex and gangbangs, surely? Oops.

"I've got a filthy imagination," she reveals, her fingers dipping in and out of her honeypot as she looks us straight in the eye, which is a little disconcerting. "And once I've thought of something, I want to try it. Right now I'm thinking of what it'd be like to have that big dildo over there inside my cunt while you put your cock inside my arse. I think it'd be amazing, shall we try it?"

Well, it's a big ask, Kiki, but we suppose so...

Natasha
CLUB INTERNATIONAL

Dear Total Recall,
I wonder if it
really is true
that blondes
have more fun? I've dated
a few but have neglected
to ask them, but I must
say they were on the
whole, a pretty kinky
bunch. That's probably
why I remembered
Natasha, after reading the
letter from last months
TR about Helen from the

same issue.

Natasha certainly looks
all sweet and innocent,
but I thought at the time I
bet you she's a right devil
with a pussy as delicious
looking as that. I wouldn't
have hesitated to slip her
my tool that's for sure,
and I hope you'll enjoy
seeing her again enough
to print her as a spunky
blast from the past.

Vanessa

PHOTOS: JANNI

We've been trying to entice Vanessa back into the pages of Club for quite a while now, but her reluctance to do a video for paulraymond.xxx has proved a stumbling block. Why the reticence?

"Aw, I suck at videos," she laughs. "I find it really hard to be natural and to be 'sexy'. If you filmed my girlfriend and me having sex, or me having a wank, and I didn't know there was a camera there, it'd be fine. But when I know about it, I get all self-conscious."

Nonsense. We've seen your video, and it's a three tissue classic!

OFF ♣ OUR HEDONIST

Want some fillums? Then how about these!?

Normal People

DVD £20.99

Adapting a book that has almost become a sacred text to some, longlisted for the Man Booker Prize, Sally Rooney's novel was always going to be judged with high expectations. But finally, Marianne and Connell's on-again, off-again relationship that spans from their days at sixth form, through their university years has made its way on to our television screens, and its raw emotional honesty has caused quite the stir. Adapted by Rooney and Alice Birch, it's as near perfect from whichever side of the book fence you sit on, capturing the very essence of youthful entanglements, pressure and the transition into the adult emotional world. Exceptional performances from Daisy Edgar-Jones as Marianne and Paul Mescal as Connell, in his first-ever television role. Edgar-Jones plays Marianne with pitch-perfect intensity, intelligence and vulnerability, as the reasoning behind her unloved demeanour is brought out earlier than in the book. Mescal, on the other hand, fills the screen with shy warmth, vitality, self-doubt and the shifting sands of maturity. They both leave you as torn and worn as their characters, riding their rollercoaster from a front-seated position the viewer sinks into Rooney's world without a trace. And it's a place in which the highs and lows we've all experienced stand mirrored for us to remember, ecstasy, uncertainty, betrayal and hope - twelve episodes of outstanding television.

All Creatures Great and Small

DVD 17.99

"The animals are the easy part, it's the people that cause all the bother." Aptly put, in my opinion, bloody people. So married with rolling dales and quite farming communities, this new lavish production of *All Creatures Great and Small*, James Herriot's collection of veterinary adventures, is enough to make you pack your bags and head to Yorkshire for a slice of down-to-earth life. With Samuel West as the cantankerous Siegfried Farnon and Nicolas Ralph as Herriot, we are transported back to the 1930's, to an almost lost way of life, with small hold farming still burning bright. With a last turn from Dame Diana Rigg, and Tricki-Woo's anally challenged antics, which will undoubtedly make you crack a smile; gentle, fun and at times comic, this latest production is sure to lift the spirits.

Vikings Season 6 – Volume 1

DVD £17.99, Blu-ray £24.99

What are these marauding Vikings up to this time? Well, boats and battles of course, though the intimate charges of the previous series have been abandoned for larger-scale battle scenes. There's also wild plot variations, and relationship triangles, that are certainly causing pointed confusion in all camps, with viewers and characters scratching their heads alike. Due to historical dictation Vikings does feel like it's lost its way after the viper filled demise of Ragnar, and it's attempts to fill the storyline void with warring sons carving out power, doesn't quite cut the mustard. However, it still has watchable entertainment value, even if the writing has become a little clunky. Ancient history in action gives season six of *Vikings* some teeth to shred its dense, meaty offering.

Whisper it, but not every model you see in magazines or in films looks as hot in real life. Make-up can hide many, many things, as can flattering lighting. Rejoice, then, in Penny. We saw her on the train home after this photo-shoot, without make-up or studio lighting and... wow.

Yup, she's not only one of our fave Brit babes, but she's also drop-dead gorgeous in the flesh. We also appreciate that she didn't contact the train guard when she caught us in the blatant act of adjusting our crotches while staring at her and drooling...

But all that aside the January fix will be on loved one's minds, so why not preempt that moaning with Fitbit's new Sense smartwatch, billed as Fitbit's smartest overall health tracker yet. The significant feature is electrodermal sensing, which allows you to track and manage your stress and mood, plus it incorporates all the fitness metrics you'd expect. Fitbit looks like it's aiming for Apple, and it certainly is proving itself in the innovation steaks.

Well, we had to didn't we? What with Christmas just around the corner, can't have a top self mag on sale over the festive period without some tinsel and tits involved, the thought is almost unholy. But joy to the world Staci Carr stepped up and stripped down, and seemed happy to open a few prezzies from us...

We will be thinking again, or you could give us a clue on how we might be able to take you red panties off with our teeth?

SCRUFF JUSTICE!

Please be upstanding!

An American Nymphomaniac in London

Private

Starring: Starring: Mia Malkova, Misha Cross, Sienna Day and Victoria Pure.

Synopsis: "Mia Malkova gives up on the California dreams and goes on the hunt for hard cock

in London... but this American babe can't even wait till she gets off the plane! This isn't just a solo adventure though, she is joined by some of Europe's most hardcore harlots; including the likes of Misha Cross, Victoria Pure and Sienna Day! These girls learn a whole lot more about the American Dream as they indulge in everything big, everything naughty and everything wild! Do not miss the debut of the spectacular Mia Malkova in Private's soon to be smash hit, *An American Nymphomaniac in London!*"
Courtesy of Private

Verdict: It's good to see Mia Malkova gaining an audience with Private as they drop her on a plane for some mile high club entertainment as this naughty nympho cops a feel of Chris Diamonds cock at 30,000 ft.

Mia dives in with some deep throating action and wet riding, as her pussy gets a soaking from Chris. This is all before Mia's even touched down on British soil, so it gives you an idea of the action ahead, there's also

an encounter in a laundrette with Ryan Rider doing his best to capture the famous Levi's Ad, as he bangs Mia up against the machines, before splattering her arse with spunk. But when Mia and her gal pals

get together all manner of antics occur, with Misha Cross gaining some well-needed maintenance in a threeway with Victoria Pure. There are undoubtedly some recognisable landmarks in this movie.

The Joy of Anal Pleasure

Viv Thomas

Starring: Tina Kay, Aislin, Luna Corazon, Shrima Malati, Cayla Lions, Sade Rose, Sam Bentley, Stefany.

Synopsis: "Come join these beautiful ladies as

they show you all the joys of anal pleasure. With the help of strap-ons and dildos, these girls are about to be immersed in the most sensual anal play that has them continually begging for more. Nothing compares to the sensations of pure anal pleasure."

Courtesy of Viv Thomas

Verdict: Hey, an anal sex flick that doesn't feature any blokes? Whatever next, eh? Women presenting Top Gear?! Anyway, this flick would have us believe that there exists a certain type of flammer that loves nothing

more than duffing another one up the jacksie with a strap-on, and who knows, perhaps that's true. What is true is that you'll enjoy watching them doing it, especially as this includes a pretty eye-pleasing selection of sploshers, starting with some poolside fun for Cayla and Sade, who it turns out is quite a smooth operator herself, frigging her bum with a yellow vibe while Cayla tucks into her

workout before getting a little fingering for her troubles.

Tina's innocently frying a couple of eggs when Aislin shimmies over with her dong already in place, although it's quite a tender scene from the usually frantic Tina. Stefany's in the riding seat for the last scene, as Sam wields a pink strap-on, although the Brit gets a little anal action herself before the end.

snizz. There's even better to come in the next scene, with Luna donning a strap-on and giving Shrima a backdoor

From how lovely she looks in these photos, you wouldn't know that Lucy was up till 5am the night before. Doing what, exactly?

"Fucking, of course" she giggles. "Fucking all night long! It started out as a quiet meal with three friends, then we started drinking, then we played poker, then we smoked some stuff and drank some more. Next thing we all knew we were shagging!"

Want to introduce us to your girlfriends, they sound fun?

"Girlfriends? No, they were all male friends. Three big hard dicks to play with at once – why do you think I'm so happy today?"

Whether you call her Tommi-Jo or TJ, just make sure that you talk nicely to her, or else...

"Many people think because I'm in the porn industry that they can demand things from me, sexual favours. It's ridiculous. Rude people saying, 'Come on, give me a blowjob'. There's nothing worse."

We agree, sweet TJ.

"Exactly. Treat me like a normal person, be polite, and that's when you get a blowjob. And my blowjobs are well worth the small price of being nice to me..."

DROVE HER DOVER!

My friend and I had decided to treat ourselves to a day's retail therapy in Paris. Living close to Dover, it's easy for us to take the car down and hop on the ferry to Calais, and then drive on to the capital. After leaving the car, we headed upstairs to get a drink, and kill the time before we arrived. Samantha's a real good-time girl like myself and is great company. However, she is not a great traveller, especially on a windy cross-channel journey! Heading outside for some fresh air, she left me alone with the two young guys we had been chatting to at the bar. Their manner was very forward, considering

we had only been travelling and chatting for about fifteen minutes, and the more forthcoming of the two began asking me about my love-life. After telling him we were single and had come for a girl's day out shopping, he responded with, "So you're up for a bit of excitement then?" "Well, I suppose you could say that," I nervously, yet quite flirtatiously, responded. "What about you two?" I continued, attempting to deflect the attention away from myself. "Oh, definitely," he confidently answered and leaned in towards me, placing both hands gently on my thighs. "It's a shame your friend

doesn't feel too well, I thought we'd all be having some fun together." I was shocked, but my impulse wasn't to pull away; and instead I found myself half-smirking at his suggestive comment. Not knowing what possessed me, I replied, "We'd have to be quick anyway, I normally only have time for a few drinks before we dock." Before I knew it, I was being willingly led by the hand from the bar, as his friend followed sheepishly behind. This was exciting, and fleeting thoughts of

Samantha soon left my mind as I was stepping through the heavy metal door on to the deck.

The wind was getting up and only a couple of passengers were braving it outside. We ducked into an alcove under one of the staircases that led to the upper deck, and immediately he ground his body into mine. His hands rummaged up my roll-neck sweater and, finding the material of my bra, he pulled my tits free. I could feel his stiff cock poking into my upper thigh, and delved into his trousers and grabbed the thick shaft. Yanking his dick up until it poked from the top of his trousers, I could feel he was really big, and the thought of it inside my cunt made me spasm slightly with anticipation. Before that, however, he was determined I was going to take him in my mouth and he pushed my shoulders downwards. Crouching down, my legs went either side of his as my face pressed into the crotch of his trousers.

We were so tightly pushed together in the small alcove that as he unzipped himself, my head was back against the metal wall and his cock was immediately pushed upright against my face. I feverishly licked the shaft and sucked his balls, before pushing him back a few inches to take his length fully. Deepthroating outside on a windy day in the middle of the English Channel was both unusual and thrilling to say the least.

As I dragged my tongue to the tip of his cock, I could just see from the corner of my eye his friend who was trying to keep watch, but was more interested in seeing my lips straining with his friend's meat. I removed my mouth and pulled myself up on his shirt, before commanding above the sound of the ferry, "Put that big fucking dick inside me!" He bundled me around, lifted up my skirt and yanked my knickers down. The head of his dick was in the small of my back, but after parting my legs he literally lifted me on to his

shaft, cupping his strong forearms around my pelvis. I arched my back, squirming and moaning with delight as he stepped back a pace and began to bang my pussy for all it was worth.

We were clearly visible from the deck now, but with total abandonment he began poking my arse as he drove deeper into my cunt. His friend was staring intently, as I desperately kept balance against the metal panels. My orgasm began to swell inside me, and as I came I bucked back against his groin, moaning and screaming.

Waiting until my climax subsided, he then pulled out and splashed his spunk into the crack of my arse. It felt sensational, the coldness of his cum and the wind against my exposed arse. He bent over me and muttered through my hair, "Enjoy your shopping," before pulling my knickers back over my spunk covered crack. He smiled before leaving with his dutiful friend. It was difficult to focus for the rest of the day on the feverish shopping that Samantha was indulging in. I thought about telling her; but like the experience itself, it seemed more exciting to keep it to myself!

Deb, Dover

CLOSE ENCOUNTER!

I never thought of myself as being voyeuristic, and particularly never liked the idea of watching my boyfriend with someone else. However, we have often tentatively discussed the idea of threesomes, with the idea of us bringing in another girl, but I always felt happier at the thought of another man as well. Somehow it became a kind of agreement that we would both be happy to share each other with the next willing couple. We didn't have to wait too long!

Whenever we would go out with our friends Debbie and Mike, our flirting with the other's partner was at times outrageous. I know my boyfriend Alan was fascinated by Debbie's voluptuous body, and her incredibly rounded tits. Mike seemed not at all bothered by Alan's suggestive comments towards her, instead taking it as his cue to do the same to me. The sexual tension was always electric by the end of each night, generally resulting in great sex when we got home.

This time, however, Mike and Debbie were drinking late at our flat, following dinner, and

the subject of wife swapping was inexpertly brought up by Alan. With the wine flowing, Debbie candidly revealed that this was one of her key fantasies and that Mike was more than happy to participate in this! I could see the excitement in Alan's eyes as Debbie offered, "How about now? I'm sure I'm more than ready to handle it." Alan gave a brief questioning glance in Mike's direction, only to see that he had got up and was walking towards me. In seconds Alan was removing Debbie's knickers and parting her legs as she invitingly reclined in the armchair. Her skirt was riding up around her waist, and her fingertips ran along her thighs as Alan lapped furiously at her pussy. So distracted was I by this sight, I barely realised that Mike had pulled up my top, freed my breasts and was circling his tongue around my dark, erect nipples. Instinctively, I reached down to feel an already exposed erection and began to wank it in long vigorous strokes.

With Mike moaning his appreciation for the

way I was stroking his shaft, I found myself straining to catch sight of my boyfriend and Debbie. She had now brought her legs together and was cradling the backs of her knees, allowing her cunt to be exposed through her fleshy thighs. It seemed that Alan couldn't get enough of the taste of her and was spanking her ass as he sucked on her twat. The sight of this was getting me so wet that Mike had no problem inserting three fingers into my sopping hole. I ground my hips against him, forcing them further inside. Once again, I couldn't help looking across the room and found Alan with his knees on either arm of the chair, moving his stiff cock towards Debbie's mouth. As she gratefully took a face full of my boyfriend's meat, I let out an uncontrollable moan and sank further on to Mike's fingers. Mike sensed what was turning me on so much, and took my hand from his dick, steering it towards my own clit.

Looking me dead in my eye, he muttered, "I know what you want." With that he moved towards where Debbie was sucking and slurping on Alan's dick and licked his fingers, tasting my juices, before thrusting them into her exposed pussy. Looking behind for my approval, I responded by tweaking my nipple with my left hand as I rubbed my clit in appreciation. Becoming aware of what was happening, Alan removed himself from Debbie's mouth, allowing her to be willingly dragged to the floor by her own boyfriend. Reaching out for both rigid shafts, she began to wank Mike and Alan off, taking each dick into her mouth in turn. I was now frigging myself with an abandon that I had rarely experienced. I couldn't stop myself from thinking aloud as I panted, "Fuck her, Alan." Smiling at me as he manoeuvred his way around, Alan then took the backs of Debbie's

“This was getting me so wet that Mike had no problem inserting three fingers...”

calves and raised her bum in the air, as she reached down and rammed his cock into her pussy. Alan began fucking her like a man possessed and Debbie responded by widening her mouth and tossing Mike's cock off over her extended tongue. With Alan almost screaming his pleasure at finally fucking Debbie's body, it all became too much for Mike whose spunk sprayed wildly over his girlfriend's face. As Debbie curled her tongue to lap at the spray of cum, Alan had pulled out from her cunt and was squirting his wad over her tummy. Witnessing the most exciting thing I had seen, an incredibly powerful orgasm took hold of me and my eyes blurred as I came.

On regaining my composure, I could see an exhausted Debbie glistening from the fresh spunk, grinning and leaving no doubt that she had got just what she'd wanted. Perhaps more surprisingly, watching my boyfriend fuck another woman had left me feeling every bit as satisfied! - Hayley, London

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

REAM SERVICE!

During the four years I've been with my girlfriend, every time we feel our sex-life has gone a bit stale we've always made the effort to try something new. Porn, in the form of magazines (this one, of course!) and videos was the first step. That worked, as did engaging in sexual activities in risky places, and as spontaneously as possible! One time particularly springs to mind when we pulled up in front of our friend's house, and before going up to the door Kathy went down on me until I came in her mouth. Recently, however, it has been a bit of classic role-playing, involving the usual nurse's uniforms and schoolgirl scenarios. Nonetheless, my wife has become so into this, that she plans these situations without me even knowing, and springs them on me when I'm least expecting it. The other night, after I had been for some after-work drinks, I returned home about nine o'clock feeling a little half-cut to find all the lights off in the house. I could also hear a faint moaning coming from the bedroom. Putting the hall light on, I could see that Kathy had been tidying and cleaning. The sounds continued and as I pushed open the door to the bedroom, I could just make out Kathy's faint silhouette on the bed. I turned the light on abruptly, to find her on her back, in a hotel maid's outfit, with her skirt hitched up and her hand down her knickers. "Oh, sorry, sorry. I'm just finishing your room, sir," she immediately responded, as if she had been discovered for real. She looked very convincing with her hair tied back, and fucking horny dressed like that! Playing along, I pretended to look shocked and questioned her, whilst she continued to stroke her pussy, which she had now exposed to me. Kathy then parted her cunt, and sucking her index finger wet, slid it between her silky lips. It was too much to bear, and my prick was in my hand in seconds

as I tossed myself off furiously. Getting on all fours, Kathy spread her legs on the bed and with her index and forefinger splayed her twat open, showing me how moist she had become. However, as I moved to fuck her soaked entrance, my cock dripping pre-cum, she thrust three of her own fingers inside her. "This hole's taken, sir, I'm afraid you'll have to find another one," she

"The feel of his lips through my panties was torture and pleasure rolled into one."

purred in a voice unlike her real one. My shaft pulsed with excitement and, spitting on my fingers, I then ran my hand over the crack of her arse, poking one digit inside, to a squeal of anticipation. Her muscles tightly gripped my bell-end, and I could feel my foreskin roll back as I drove my dick as far in as it would go. "Oh, yes sir... I'm full now," she kept half-grunting as I held fistfuls of her backside and worked away rhythmically into her bumhole. I then held onto her maid's tabard, as I fucked harder, with my balls banging against her knuckles. Alerting her to the fact that I was going to cum, she frigged her clit so fast and so recklessly that I struggled to keep my dick inside her. I felt my spunk pulse through my shaft and pulled out, spraying it up her back. Shuddering to her own orgasm, she just kept repeating "Thank you sir!" as I covered her in thick jizz. As I lay there, she remained in character and licked my cock clean, wiped herself down and carried on tidying the room! If only real hotel service was as good! Tom, Leeds
Bum Birthday It was my boyfriend's

first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing a new underwear set – tarty red and black, which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full-well that the dinner wouldn't really spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that particular erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my

panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the

fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my mouth and throat. I kept it there, fully inside me and wrapped my tongue around the back of his shaft.

“ I slid forward, pushing my lips down his shaft, taking his cock into my mouth and throat.”

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

“I want you to play with my bum.” It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy. Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open up as I exposed them to him.

“Your bum looks amazing,” James said. I felt his breath as he moved in for a closer inspection. “You’ve got such a pretty little

arsehole." I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue moving over and probing into my arsehole. But this time, I was eager to move on. I wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my arse. His fingers worked their way inside me, penetrating my bum. I'd got used to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock up my bum. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

"I want you to stick your cock in my arse." I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

"Are you sure?" he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

"Yes – I want to feel your cock in there," I said, wiggling my posterior. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where

“It felt amazing as his shaft passed through the tight muscles of my arsehole.”

“Do it, now!” I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I’d taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

“Fuck me, nice and slow,” I gasped. My breath quickened as I felt my boyfriend’s cock slide out of my arse before easing back in.

“That looks amazing!” he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered-out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn’t resist as James pounded my butt. I’d expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of ‘anal slut’ took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my muscles around James’ cock, gripping him, holding him in place, and with every inch of his cock buried inside my pucker, he came. He cried out and I imagined his cock firing load after load of spunk into my arse and my fading orgasm re-intensified.

“That was amazing,” James said, as we both fell back onto the bed.

“Happy Birthday,” I replied, kissing him on the lips.

“I can’t wait until my next birthday,” he said, smiling hopefully.

“Oh, I don’t know that I’ll make you wait that long – it’s my birthday soon.”

he could guide his cock inside my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he’d stopped trying.

“Oh my god,” James said. “My dick is in

your arse.” I didn’t know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James’ cock was sticking out of my arse – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

“Push it all in,” I told him.

“Are you sure?”

If you're looking for a lady who can pull off a jazzy catsuit, then Caroline is your girl.

"I do have a predisposition for anything with glitter, not sure why, but I think my tits look great spilling out of this number."

We can testify to that, with great pleasure, as Caroline unleashes her bountiful chest bumpers. And with a quick flip of a zip this old Tom is ready to pounce.

His face got booked!

A man suspected of burglary was arrested less than 15 minutes after posting a taunt on a police department Facebook page. Rosenberg, Texas police reported that Damian and Rolando Lozano allegedly burgled 17 cars in one Sunday.

The police apprehended Damian Lozano, but Rolando remained at large, so the police posted his picture on their Facebook page in an appeal for help. Sure enough, Rolando commented on his own photo and was quickly arrested. The police's responding post received 1095 'likes' and more than 320 shares.

BANK OF BANE!

Looks like Denver has got its very own take on a Gotham nemesis. Dubbed the "o2 Bandit", a black man between 50 and 60 years old, of medium build, is believed to have held up three banks in the last month whilst hooked up to an oxygen canister. According to reports, the M.O of the medically masked suspect is always the same: he enters the bank, hands the cashier a note and toddles out with the cash and oxygen tank in tow. Makes a change from a balaclava, we suppose.

A BITTER KISS!

A Parisian jewel thief has been apprehended after he made the mistake of showing a glimmer of compassion. The 20-year-old, referred to only as 'Pierre G' and his accomplice, reportedly followed a 56-year-old jewellery store employee home, where they proceed to tie her to a chair, pour water over her head and, pretending it was petrol, threatened to burn her alive if she didn't divulge the store alarm code. Needless to say, the women

talked, and after untying her, the thief planted a kiss on her cheek in recognition of her ordeal. Police swabbed the women's cheek and – hey presto! – a few months later a DNA match came up trumps!
